1998 OUTLOOK

After going through a youth movement the past two years with just two seniors on the roster during that period, not much has changed on the court as the 1998 Wright State volleyball team will be rich in experience.

There is a change on the sidelines this season, however, as Joylynn Mosier, who was an assistant coach for the Raiders the past three years, takes the head coaching reigns on an interim basis for Steve Opperman, who took the head coaching job at Duquesne in July.

Mosier, who is in her ninth season with the program overall, welcomes back all six starters and all but one letterwinner as they look to turn around the fortunes of the volleyball program, which is coming off of consecutive losing seasons for just the second time in school history.

Leading the list of returnees are four seniors that have each made their mark the past three seasons.

Outside hitter **Joanna Downie** led the team in both kills (438) and digs (391) for the second straight season in 1997. The Colorado native, who appears on the all-time Raider top ten list for kills and digs for a career, ranked fifth in the MCC in digs per game and seventh in kills per game.

Middle hitter **Carrie Monnes** led WSU in blocks for the third straight season in 1996 with 149 and was second on the team in kills with 408. Monnes led the MCC in blocks per game at 1.28 as a junior and was third in the conference in hitting percentage at .304—numbers she looks to build upon in 1998.

Middle hitter **Kelli Fisher**, like Monnes, had over 100 blocks for the third consecutive season as she finished with 117 and trailed only her teammate in blocks per game in the MCC rankings at 1.13.

Outside hitter **Tosha Johnson** rounds out the senior class and hopes to return to the form of her sophomore year when she had over 200 kills and digs as well as 21 block assists and 17 service aces.

The four juniors on the roster each had solid contributions in 1997 and look to continue their success this season.

Setter **Michelle Buck** recorded the fourth highest assist total ever for a Raider player in 1997 and led the squad in service aces with 37. Buck will also be counted on to build upon her 250 digs and 63 blocks from last season.

Defensive specialist **Paris McIntyre**, a two-year starter for Wright State, was one of five Raiders with 200 or more digs last year. She also chipped in with 19 service aces, 12 assists and six kills in 1997.

Outside hitter **Angi Nunnelle** was one of the most improved players for the Raiders last season,

posting 240 kills and 328 digs as a sophomore after having 58 and 77, respectively, in 1996. She also had 28 blocks and 20 assists last season.

Outside hitter **Michelle Sours** also showed great improvement last season as she had 211 kills, 139 digs and 44 blocks after an injury-plagued 1996.

Two sophomores round out the list of Raider returnees. Middle hitter **Carmen Mann** picked up 26 kills with six blocks in limited action in 1997 while outside hitter **Tara Trissel** had 165 digs and 17 service aces off the bench as a freshman.

Two newcomers join the Raider roster this season. Middle hitter **Liza Osterhage** comes to Wright State after a strong high school career at Kalida (OH) High School, where she a Division IV honorable mention all-state selection as a senior. Junior outside hitter **Erica Busch** joins the Raiders after transferring from Sinclair Community College.

The Raiders open the 1998 season with the Miami/Amerihost Classic in Oxford with matches against Evansville, Valparaiso and the host Miami RedHawks. WSU then heads for the Sunshine State the following weekend to take on Florida Atlantic, Jacksonville State and Marquette.

The Nike/Howard Johnson Challenge opens the home portion of the schedule the weekend of September 18-19. The Raiders will take on Robert Morris, Western Carolina, Ohio and IUPUI during the two-day tournament.

Wright State then returns to action two days later with a rare Monday match at crosstown rival Dayton, followed by the start of the MCC season that weekend against Wisconsin-Green Bay and Wisconsin-Milwaukee at home.

October opens with five straight road matches for the Raiders as they face local rivals Bowling Green and Xavier, as well as MCC opponents Loyola, Illinois-Chicago and Cleveland State. Wright State then returns home for a five-match homestand to end the month, including contests against defending conference champion Butler and Division I newcomer Belmont.

The Raiders wrap up the regular season in November with four road matches, but return home for the MCC Tournament at the C.J. McLin Gymnasium. All seven MCC volleyball teams will compete in the tournament, which starts with the quarterfinals and semifinals on Saturday, November 21, followed by the championship match on Sunday, November 22, with an automatic bid to the NCAA Tournament on the line.

Wright State volleyball has had a strong tradition in its first quarter century of competition. The 1998 edition looks to add another chapter to that tradition.

JOYLYNN MOSIER

Acting Head Coach

While Joylynn Mosier may be a newcomer as she takes over the coaching reigns of the Wright State volleyball team this season, she is definitely a Raider veteran as she has been involved in every facet of the program in the nine years that she has been here.

Mosier started off her Raider career as a four-year letterwinner as an outside hitter from 1989-92. She led Wright State in kills her final two seasons with 336 in 1991 and 311 in 1992 and collected 711 kills in 294 games for her career.

She then began her coaching career as an undergraduate assistant during the 1993 season and was the top assistant under Steve Opperman the past three seasons, where her primary duties included organizing practice sessions, recruiting and aiding with match strategy.

Her coaching experiences also include being the head coach of the men's volleyball club team at WSU along with coaching at the Junior Olympic level.

Mosier has been a part of much of the Division I success of Wright State volleyball, including the appearances at the National Invitational Volleyball Championship in 1989, 1991 and 1993, the runner-up finish in the Mid-Continent Conference Tournament in 1993 and the 15-3 start by the 1995 team.

A native of Fostoria, Ohio, Mosier is a graduate of Hopewell-Loudon High School, the same high school that current Raider Michelle Sours also attended. She graduated with a bachelor's degree in communication studies from Wright State in December 1993.

COACHING STAFF

PHIL NICKEL

Assistant Coach • First Year

One of the newcomers to the Raider coaching staff this season is Phil Nickel, who comes to WSU with a great deal of coaching experience on the high school, club and collegiate levels.

Nickel was the head coach for the Saints of Thomas More College near Cincinnati for the past two years and led his squad to the second round of the NCAA Division III Tournament last season. He has also served as the freshman coach at Seton High School in Cincinnati for two years and coached the Western Buckeye Volleyball Club for five years. Nickel also was the tournament director for the Buckeye Classic Volleyball Tournament, which annually draws over 100 teams.

Nickel, who graduated from the University of Cincinnati with a degree in electrical engineering in 1995, played for four years on the men's club team there and was the team captain his senior year.

His responsibilities at Wright State include organizing practice sessions, recruiting and aiding Mosier with match strategy.

CHRIS KING

Student Assistant Coach • First Year

The other newcomer to the Raider coaching staff this season is Chris King, who also brings to Wright State an extensive background as both a player and coach.

King has coached the Miami Valley Juniors along with being the freshman coach at Wayne High School. He also coached the women's club team at the University of Dayton for two seasons. On the court, King played for the Wayne boys team and also competed on the men's club team here at WSU.

His responsibilities at Wright State include on-court training and assisting Mosier with match strategy.

King, whose sister Pam competed for Wright State during the 1986 and 1987 seasons, is currently a senior biology major at WSU.

Midwestern Collegiate Conference

The Midwestern Collegiate Conference enters into its 20th campaign poised to build upon a strong foundation of institutions with a tradition of broad-based programs, led by administrators and coaches who place a constant emphasis on academic integrity. The MCC continues to strive to maintain the goals and objectives necessary to achieve national prominence as a top 10 Division I athletics conference.

The MCC has established specific goals for upgrading the league's market and competitive positions with an eye toward continually enhancing the student-athlete experience. The conference has a commitment to engage both its staff and member-institution administrators and students to serve on national-level committees. The conference is an affiliation of eight institutions with similar athletics goals that provides stability and major-market exposure.

MCC markets, including five of the country's top 32 television markets, cover over nine million TV households and encompass more than nine percent of the nation's television audience. The member institutions are generally located in major metropolitan areas and benefit from the business, cultural, educational and entertainment resources available to the university community.

The MCC is anchored in a solid tradition that began in 1979. Originally formed as a men's sports league, the conference added women's athletics in 1986-87. League members continue to advocate competitive athletics as a valuable educational experience and as an important component in the process of higher education.

The MCC features both public and private institutions committed to fielding a broad-based NCAA Division I athletics program that develops physical fitness, academic development and moral character in its student-athletes. Among the MCC's established operating principles are efforts to maintain integrity, gender equity, academic excellence and fiscal responsibility in the athletics enterprise.

Best known for its men's basketball success, the MCC offers a total of 18 different championship sports (nine for men and nine for women). These numbers include the most recent addition of outdoor track & field, which will celebrated its inaugural season in 1998. The league enjoys NCAA automatic qualification or play-in access in baseball, men's basketball, women's basketball, men's soccer, women's soccer, softball and volleyball. The conference and its members have established ambitious goals for these "target priority" programs and continue to pursue national prominence in each.

DAYTON

Where Innovation Meets Tradition

From the Wright brothers' first flight experiments in their Dayton bicycle shop to the invention of the first self-starting automobile ignition system by Charles F. Kettering, from the cash register to the automated teller machine, Dayton has a strong tradition of encouraging innovation, excellence and service to humanity. Over 900,000 residents and Wright-Patterson Air Force Base call Dayton's metropolitan area home.

Dayton is a place that takes as much pride in historical preservation and parks as it does in high technology. Located in southwestern Ohio's Miami Valley at the confluence of the Great Miami, Stillwater and Mad Rivers, Dayton is a picturesque combination of rolling hills, flowing waterways and open spaces. Dayton boasts more green area than any U.S. city its size. Over 35,000 acres of parks, nature preserves and other greenery beckon you to enjoy your favorite outdoor activities, and a popular river corridor along the Great Miami River offers 26 scenic miles of walking, jogging and cycling.

In the Heart of the Midwest

Dayton welcomes its visitors with big-city amenities and small-town, Midwestern friendliness.

Dayton's central location among Columbus, Cincinnati and Indianapolis puts major collegiate and professional sports activities, cultural events and other recreational opportunities within easy driving distance. It's one of the nation's most accessible (and affordable) destinations. Chicago, Detroit and Cleveland are all within a day's drive, and Indianapolis and Louisville are even

closer. Cincinnati is just 54 miles away.

Each year, over 2.5 million people visit Dayton for business and pleasure. Over 100 festivals and the United States Air and Trade Show, a four-day celebration of flight, delight visitors from all over the nation. The U.S. Air Force Museum at Wright-Patterson Air Force Base, the oldest and largest military aviation museum in the world, has become the state's number one free visitor attraction.

Other notable places to see include the National African-American Museum and Cultural Center, the Dayton Museum of Discovery, the historic Wright Brothers Bicycle Shop and Carillon Historical Park—a museum designated a National Historic Landmark by the National Park Service.

Dayton is strong in the arts. It boasts the Dayton Ballet Company, one of the nation's oldest regional companies, the Dayton Contemporary Dance Company, the Dayton Philharmonic Orchestra, and the 79-year-old Dayton Art Institute, which houses an internationally acclaimed collection of paintings, sculpture and decorative art spanning many cultures and time periods.

WRIGHT STATE UNIVERSITY

Wright State University offers many innovative programs in a variety of areas through 100 undergraduate programs and over 40 graduate and professional degree programs.

Our mechanical, materials, electrical, biomedical and computer engineering programs, and the engineering physics program, are accredited by the Accreditation Board for Engineering and Technology (ABET).

Our College of Business and Administration programs are accredited by the American Assembly of Collegiate Schools of Business (AACSB).

The College of Science and Mathematics offers programs in life, chemical, and environmental sciences, and in medical technology, as well as a Ph.D. in psychology.

Russ Engineering Center

Theatre and the arts, along with a strong communication program, highlight the many programs available in the College of Liberal Arts.

The Wright State University-Miami Valley College of Nursing and Health offers both bachelor's and master's programs to prepare students to meet the current and future challenges of the health care profession.

Other care-related professions are found in the College of Education and Human Services, where students prepare for teaching and counseling opportunities in the public and private school environment and in the corporate arena of training and development and employee assistance.

WRIGHT STATE UNIVERSITY

THE UNIVERSITY

✓The Paul Laurence Dunbar Library's Department of Archives and Special Collections houses one of the world's most complete repositories of original documents, memorabilia and personal photographs from the Wright brothers.

✓The university's Ervin J. Nutter Center, completed in 1990, provides seating for up to 13,000 spectators for events ranging from basketball games and entertainment to conferences and commencements. It is home to the WSU athletics department and sports medicine facilities.

✓Wright State University offers the nation's only aerospace medicine residency program for civilians.

✓More than 50,000 students have graduated from Wright State since 1964, with nearly half of them remaining in the greater Dayton area.

✓Over 1,900 of Wright State's students live in university-affiliated residences on or adjacent to the 557-acre main campus.

✓An extensive underground tunnel system links most WSU main campus buildings, whose modern architecture is nationally recognized for being completely accessible to people with disabilities.

✓Although most WSU students hold jobs on or off campus, many are involved in one or more of the 150 student clubs and organizations that give vibrancy to campus life.

✓The university offers 14 Division I intercollegiate athletic programs, and many students participate in the intramural sports programs.

Paul Laurence Dunbar Library

THE VOLLEYBALL PROGRAM

✓The volleyball program has been one of the most successful at Wright State, posting 19 winning campaigns in 25 seasons, 16 of those with 20 or more wins.

✓The 1983 volleyball squad qualified for the NCAA Division II Tournament and Wright State has made three appearances—1989, 1991 and 1993—in the National Invitational Volleyball Championship.

✓The volleyball team has competed in tournaments in Arizona, California, Connecticut, Florida, Iowa, Kansas, New York, North Carolina, Tennessee, Virginia and Washington, D.C. since joining Division I.

✓WSU annually plays a tough schedule, as the Raiders have faced such teams as Arizona, Arizona State, Colorado State, Connecticut, Fresno State, Georgetown, Indiana, Iowa, Kansas, Kentucky, Michigan, Michigan State, Missouri, Notre Dame, Ohio State, Oregon, Pittsburgh, Tennessee, Texas A & M, Virginia and Washington State in the last 11 years.

The university's four original buildings

ERVIN J. NUTTER CENTER

Wright State University's Ervin J. Nutter Center is a state-of-the-art entertainment and sports complex. The center features a 12,000 seat main arena, four basketball courts, a recreational running track, a multipurpose room, 60,000 square feet of exhibit space and classrooms.

As an entertainment complex, the versatility of the Nutter Center has made it one of the premier stopping points for major tours. Such major acts as Frank Sinatra, Janet Jackson, Gloria Estefan, John Mellencamp, Elton John, Rod Stewart, Reba McEntire, two sold-out shows each of Guns 'N Roses and Neil Diamond, two shows of Hammer and Boyz II Men, ZZ Top and a sold-out Garth Brooks have graced the stages as well as AC/DC, Michael Bolton and Phil Collins. The Boston Pops Esplanade Orchestra has even made a return to the center. Such family show greats appearing at the center include Ringling Brothers and Barnum & Bailey Circus, Sesame Street, Lipizzaner Stallions, Moscow Circus, Ice Capades, World Cup Champions on Ice and Nickelodeon's Super Sloppy Double Dare and Family Double Dare. Add to these such events as the Queens' Own Highlanders and Coldstream Guard, Bobby Knight, Dick Vitale, Greene County Business Expo and various high school events such as chemistry shows and clinics, and you have a facility that has proven to be an integral part of the community in just the few years that it has been open.

Home of Wright State's volleyball and men's and women's basketball teams, as well as the

entire athletic department's offices, the Nutter Center has been the sight of many spectacular sporting events. The center welcomed the 1991 Women's National Invitational Volleyball Championship and was the site of the 1993 National Junior Olympic Taekwondo Competition. The NBA's Cleveland Cavaliers have held three exhibition contests at the Nutter Center—in 1992 against the Charlotte Hornets, in 1993 against the Boston Celtics and in 1994 against the New Jersey Nets. Another Nutter Center highlight has been the four men's basketball conference tournaments that Wright State has hosted—in 1993 with the Mid-Continent Conference and in 1995, 1996 and 1997 with the Midwestern Collegiate Conference. The center has hosted high school events such as the Ohio State Volleyball and Wrestling Tournaments, sectional, district and regional basketball and volleyball play and the Miami Valley Basketball Fest. The Nutter Center has achieved a reputation, both nationally and locally, as a site for high caliber sporting events and competitions.

The facility has been heavily booked from the day it opened, averaging approximately one million guests per year. The Nutter Center started off on a path of a variety of entertainment and sporting events that sold out or pushed capacity on a regular basis. For its capacity, the Ervin J. Nutter Center was ranked the second highest grossing facility in the United States and third in the world for ticket sales in 1995, according to *Amusement Business* trade magazine.

About Wright State University

In the tradition of the nation's best universities, Wright State University is dedicated to teaching, research, and service. In addition, as a metropolitan university near Dayton, Ohio, Wright State has the distinct mission of providing leadership to improve the quality of life for the people of the Miami Valley. Wright State is an affordable, comprehensive, state university with a diverse range of high-quality academic programs and strong links to Miami Valley schools and business, government, and community organizations.

The university serves more than 16,000 students with programs leading to more than 100 undergraduate and 40 graduate and professional degrees through six colleges and three schools. Wright State offers innovative educational programs, including doctoral programs in biomedical sciences, human factors and industrial/organizational psychology, medicine, and professional psychology; one of only two aerospace medicine residency programs for civilians in the nation; and a post-master's educational specialist degree program. Wright State's theatre, accounting, chemistry, geology, and engineering programs are recognized for excellence. The WSU Lake Campus near St. Marys and Celina, Ohio, offers associate and pre-baccalaureate degrees.

Wright State University's faculty is dedicated not only to advancing the frontiers of knowledge but also to applying knowledge to real problems. Most classes are small and taught by fully affiliated faculty members, 80 percent of whom hold the most advanced degrees in their fields. In addition, students gain hands-on experience through a variety of community-based programs, cooperative education, internships, and research projects operated with industry and government.

Over 2,000 of Wright State's students live in university-affiliated residences on or adjacent to the 557-acre main campus. An extensive underground tunnel system links most campus buildings, whose modern architecture is nationally recognized for being completely accessible to people with disabilities. Although most students hold jobs on or off campus, many are involved in one or more of the 150 student clubs and organizations that give vibrancy to campus life. The university offers 14 Division I intercollegiate athletic programs, and many students participate in intramural sports programs. The Ervin J. Nutter Center, a state-of-the-art sports and entertainment complex, and other recreational facilities are available to students on a daily basis. Besides intercollegiate athletic events, the Nutter Center hosts convocation, concerts, and other cultural and entertainment events, seating up to 12,000.
